

The Concise COLP Training

Course Overview

"The SRA's Enforcement Strategy provides that it will take action against a firm: 'when the events demonstrate a failure which relates to the culture, systems, supervision arrangements or processes for which the firm, as a whole, should be held accountable.'"

While the above references the firm, it is the COLP who is responsible for ensuring there are no failures by the firm.

This is therefore a CRITICAL update course and essential for all COLPs.
